

Fraction Field - an original synthetic quilt pattern

Synthetic validation fixture - not a commercial pattern.

Fabric requirements

Background fabric: 3/8 yard.

Cutting instructions

Cut (40) Background rectangles at $2\frac{1}{2} \times 4\frac{1}{2}$ inches.

Subcut from 5 strips; each strip is $2\frac{1}{2} \times \text{WOF}$.

Block assembly

Make 5 blocks. Each block uses 8 Background rectangles.

Each block finishes at 12 x 12 inches.

Quilt assembly

Arrange 1 row by 5 columns.

The quilt finishes at 60 x 12 inches.
